WARNING

The degree of flood protection required by this Court Order is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. This Court Order does not imply that land outside the areas of special flood hazard or uses permitted within such areas will be free from flooding or flood damages. This Court Order shall not create liability on the part of Bandera County or any officer or employee thereof for any damages that will result from reliance on this Court Order or any administrative decision lawfully made there under.
